Units in Education should be selected from the list below:

- EDUC702 Sociology and Education
- EDUC703 Curriculum Studies
- EDUC704 Assessment Issues
- EDUC705 Educational Institutions as Organisations
- EDUC706 Learning and Technology

You should also include at least one research methodology unit, for example:

- SOCI701 Qualitative Methods: Issues and Practices
- SOCI702 Social Survey Research: Issues and Practices
- STAT units may also be included, subject to academic approval.

You may select other MRes (700) level units in other disciplines to supplement your Education studies, for example:

- ECED720 Families in Context
- FOHS710: Ethical Issues in Research
- EDIT700 Editing for Researchers

NOTE: Units can be selected from Education and other discipline areas such as sociology or early childhood, subject to academic approval.
